NOTES:

1. All pupils will be entered for examinations with three or four examination boards (AQA, Edexcel, OCR, WJEC). This timetable is based on the timetables provided by these examination boards. Individual timetables will be issued to each candidate in the Spring.
2. Given the number of controlled assessments during the year and in accordance with the Governors' policy on absences for reasons of holiday, the **Headteacher will not be able to authorise absences for holidays during Year 10 or 11.**
3. Examinations will start at **9.00 AM and 1.20 PM. (or 1.00 pm if it's a 2 hour exam)**
4. In some subjects e.g. Music, Physical Education Practical, Performing Arts, Modern Languages Speaking Tests, pupils will be placed in groups and examined on different days. Lists will be issued by the relevant departments well in advance but it is the responsibility of every pupil to ensure that these arrangements are noted.
5. Examination results day is **Thursday 23rd August 2018**. Pupils may collect their results **AFTER 10.00 AM**. Uncollected results will be posted to pupils at midday on the 24th August 2018. Certificates usually arrive in school during late October/early November. If pupils do not attend Certificate Evening, they must collect their certificates from the General Office within **12 months**. They cannot be posted.
6. Late submission of coursework is treated by the examination boards in the same way as absence from a written paper. Without medical evidence that the work could not be completed on time, a mark of zero will be given for that section. There are occasions when a pupil, through failure to attend an examination, fails to qualify for an examination grade. In these circumstances the school would require a medical certificate to explain the absence. If there is no medical reason provided, the Governors will charge the parents the cost of entering the pupil for that examination.
7. Pupils must arrive for a Public Examination wearing the appropriate uniform - the school's uniform regulations apply to all pupils. Pupils who do not conform to the uniform regulations will not be allowed into the examination hall. If the school makes separate arrangements for invigilating a pupil, the cost of the invigilation - staff time - may be charged to the parents at the rate of £20 per hour.
