### **Year 7 – September 2018**

Following the recent Appeals System, I can now confirm that 182 pupils will begin in Year 7 in September. I would like to remind the parents of all those pupils of the final induction events during this school year. On Thursday 28 June 2018 at 7.00 p.m., there is a meeting of all parents of the new intake in the Arts Theatre, when parents will get an opportunity to meet their child's form tutor. They will also be given final pieces of information before the children take part in the Induction Day on Friday 29 June 2018. On this day the whole of the new intake will come into school, they will meet their new form tutor, their pupil buddies and they will be taking part in a series of activities to prepare them for their starting date in September.

### **Calling All Parents!**

Has your child represented at District, County or National level in any sporting discipline? If so, we would like to know please. Can you please e-mail Mr Finch at [dfi@allhallows.lancs.sch.uk](mailto:dfi@allhallows.lancs.sch.uk) with the details so that we can make sure they are recognised at this year's Sports Award Evening.

### **Head Lice**

We have had a couple of cases of Head Lice reported in Year 8. These have been treated by parents. Please would you check your son/daughter to ensure we have no new cases.

### **Bike Safety**

We have had some reports from concerned members of the public that some of our pupils are putting themselves at risk when cycling. Please can we remind you that pupils cycling to school should be wearing a cycle helmet and should not be listening to music on headphones?

### **School Attendance**

Could parents please ensure school is informed before the end of the morning form period of a child's absence? This must be done on a daily basis otherwise; our Attendance Officer will contact parents / carers. This is to ensure that we know the child is safe.

### **Complaint from Local Resident**

We have recently received a complaint from a resident in Howick Moor Lane who has had to have his driveway re-surfaced due to parents encroaching onto his private property when turning round on the lane at the start and end of the school day.

Could we ask all parents driving their children to school, or indeed parking locally for school events taking place in the evening, not to encroach onto private property and to be responsible in terms of manoeuvring their cars and parking them.
