Sports Day 2018

As you can imagine, there was no issue with rain on the day and the whole morning was about enjoying the sport and keeping safe in the sun. Sincere thanks to our PTFA and especially our Chair, Mrs Trafford, who provided a bottle of water for every pupil. Thank you also to those parents who lent us a gazebo so that many pupils could benefit from being in the shade. The result was a really enjoyable morning, so thanks to all concerned and particularly the PE Department for their excellent organisation.

Bike Safety

We have had some reports from concerned members of the public that some of our pupils are putting themselves at risk when cycling. Please can we remind you that pupils cycling to school should be wearing a cycle helmet and should not be listening to music on headphones?

School Attendance

Could parents please ensure school is informed before the end of the morning form period of a child's absence? This must be done on a daily basis otherwise; our Attendance Officer will contact parents / carers. This is to ensure that we know the child is safe.

Complaint from Local Resident

We have recently received a complaint from a resident in Howick Moor Lane who has had to have his driveway re-surfaced due to parents encroaching onto his private property when turning round on the lane at the start and end of the school day.

Could we ask all parents driving their children to school, or indeed parking locally for school events taking place in the evening, not to encroach onto private property and to be responsible in terms of manoeuvring their cars and parking them.
