

The Modern Foreign Language Department

The Modern Foreign Language Department has enjoyed excellent results and high achievement over a number of years. There are four full-time Modern Foreign Language teachers and in Modern Foreign Languages there is a suite of classrooms with a central computer area. Each classroom has its own data projector and networked computer.

Curriculum

All students study French at KS3. The top sets also study German. Take up at KS4 has traditionally been high and this year there are almost seventy students entered for GCSE's in either French or German.

Recent Results

2017	French	93.5%	A*-C
2018	French	54%	9-4
2017	German	100%	A*-C
2018	German	100%	9-4

Ethos

The successful candidate will share our love of languages and our belief that learning a language is a vital, relevant skill that students need as they begin the next phase of their lives. At All Hallows we strive to show the importance of learning a language through:

- Our overseas visits (France and Germany in the last two years).
- Our strong links with Cardinal Newman Catholic Sixth Form College.
- Our links with UCLAN that have this year led to extra-curricular Mandarin Chinese lessons.
- Our commitment and outstanding practice in the classroom.
