The eleven disciples went to the hill in Galilee where Jesus had told them to go. When they saw him, they worshipped him, even though some of them doubted. Jesus drew near and said to them, "I have been given all authority in heaven and on earth. Go, then, to all peoples everywhere and make them my disciples: baptise them in the name of the Father, and the Son, and the Holy Spirit, and teach them to obey everything I have commanded you. And I will be with you always, to the end of the age,"

Lord Jesus, you call us to be missionary disciples. Guide and strengthen us - to share your love with all we meet. Give us courage - to reach out to help others. Give us wisdom - to know how best to care. And give us hope - to believe we can make a difference. Bless all missionaries who bring your compassion and mercy to the poor and marginalised. Together, may we make known your love on earth. Amen.

## something to think about ...

In Matthew 28 (The Word of the Week) Jesus tells the disciples that they must go to all nations, baptising them and teaching them everything he had shown them, about loving one another and helping others. This is something called the Great Commission because it was a mission from God that the disciples were sent on, and that we are sent on too!

Imagine you are one of the disciples when Jesus tells you to go out into the world- what is going through your mind? What do you think it means when Jesus said for us to GO?

Jesus commissions and sends us out to go and live like him; loving others, showing them who God is in the way that we live and think and in what we do and say.

> "Let us make one point, that we meet each other with a smile. when it is difficult to smile. Smile at each other, make time for each other in your family."

> > Mother Teresa

#### something to talk about...

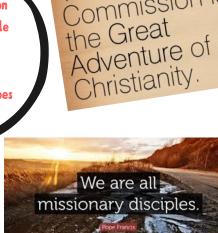

Watch the Mission Impossible clip found in the staff shared area (Read Staff: Collective Worship: 2018-2019: Weekly Resources)

Just as these men in the video clip were sent on a mission to get information from the computer, we are sent on a mission to spread the Good News, to show others the love of God, through our actions and in the way we live our lives. Talk to the person next to you about how you can fullful your mission to go out into the world and be a good example to others, spread the Good News and show others the love of God.

Head over to the staff shared area for more mission stories and be inspired by the missionary work people are doing here in the UK and all over the world.

Remember: Sometimes a simple mission of kindness goes a long way to changing the lives of others.

Commission is

### something to do ...

# PLAN YOUR OWN MISSION!!

Take some time to plan your own mission or maybe a class mission, that will help those in need and show the love of God to others.

Who needs to experience and see the love of God? What needs to change in our world and communities so others can live a happier life?

Make sure your mission is something you can actually try and do, but make it challenging, no mission is supposed to be easy! Have a think about when you could complete your mission, we have the summer holidays coming up, is there something you could get involved with this summer that would help others and make a different to the world around you?

Tips: Could you volunteer somewhere, or organise a litter pick? Could you take part in a fundraising activity? Could you help raise awareness about issues you would like to see changed?

What's on?

Summer concert on Monday 7pm

Whole School Rewards Trip to Blackpool on Thursday.
