Dear Parents

Newsletter No. 24 – 13th March 2020

Coronavirus Update

I hope that parents have accessed the letter I sent yesterday by ParentMail containing the school's latest response to the threat of Coronavirus. We will continue to post any changes to our current arrangements on the website.

We have spent a good deal of time today talking with the travel companies through which we have booked our forthcoming trips to America (Easter) and Rome (May half-term holiday). In light of those conversations we will issue parents of pupils booked on these trips with more detailed guidance at the start of next week.

Medication in School

Can parents of pupils who have medication in school please make a note of the expiry dates before bringing it into school.
