INSTRUCTIONS FOR PUPILS IN THE EVENT OF SCHOOL CLOSURE

***(This PowerPoint will be made available on the
school website)***

My work

- Your teachers have set you work which we would like you to complete at home.
- You may have been given hard copies of tasks to complete or you will be able to access work on a learning platform such as Moodle, Mahara etc.
- Instructions on where to find work and how to access it are on the school website under the heading 'Learning from home'.
- Please ensure that you take any exercise books, files etc home with you. (check your lockers)

My work

- ▶ You are aware of the high expectations we have of the standard of your work in school. We expect the work to have been completed, and to a high standard.
- ▶ We recommend that you follow your school timetable throughout each day, where this is possible.
- ▶ At this time we are unclear about how long we may remain closed. Please refer to the school website on a daily basis for updates, further work and specific instructions from your teachers.
- ▶ If you have any concerns about being able to access work please speak to your form teacher before you leave e.g. computer access.
- ▶ If you experience difficulty logging into any platform please email Mr Adamson at rad@allhallows.lancs.sch.uk

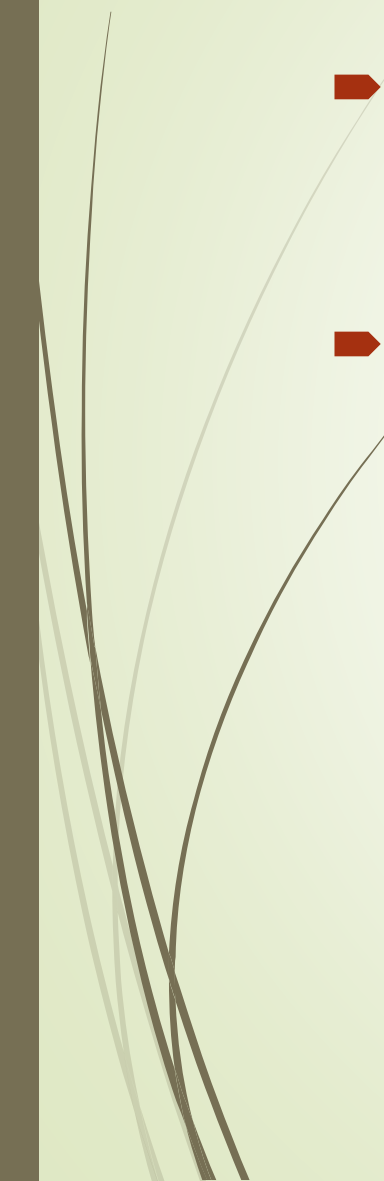

Keeping safe

- ▶ Please remember all of the advice and guidance you have been given on keeping safe. For example, on-line safety.
- ▶ The school website is a good place to visit for further advice on keeping safe.
- ▶ Those pupils who regularly meet with Helen (School Counsellor) have been given specific instructions and contact details.
- ▶ If you feel unsafe at any time when you are not in school you are encouraged to contact Mrs Washington (jwa@allhallows.lancs.sch.uk) or Mr Thomas (cth@allhallows.lancs.sch.uk)

Keeping safe

- ▶ You may receive a welfare call from a member of school staff during the time the school remains closed.
 - ▶ The NHS continue to provide the Chathealth Service where a young person is able to contact the School Nurse on 07507330510.
- 

Social Responsibility

- ▶ Please remember that the reason we are being asked to close is to help to meet the challenge of Coronavirus by maintaining social distancing.
- ▶ Our expectation is that you are at home, following the advice of the Government and Public Health England.
- ▶ We would not be pleased to hear of our pupils being on the streets engaged in anti-social behaviour.
- ▶ Please be aware of the potential negative effects of people being isolated. Try to look after each other by maintaining regular contact through social media etc.

Social Responsibility

- ▶ Remember the values of All Hallows and how we should live by the command to 'Treat people as you would like to be treated'. Remember this when you are using social media.
