## Work for week beginning 6<sup>th</sup> April 2020

### Year 7, 8 and 9

Under normal circumstances this is the week where we begin to wind down after a long term which started on January 6<sup>th</sup>. However, obviously we now find ourselves in different circumstances. During this week we would be finishing off work and possibly watching Ice Age – again!!

Make sure you have completed the tasks set in the past 2 weeks.

#### Year 7

- Hazards
- Population

#### Year 8

- Non-governmental organisations
- Physical geography of Asia

#### Year 9

- Covid research
- Ice ages

This week top tips for all of you:

**Watch Ice Age!** – it wouldn't be the end of term without an argument about whether it is 1, 2 or 4. I haven't got 3!

And try many of the **FUN websites** that are there to help you with your Geography. Here are some suggestions. If **you** find any good ones **PLEASE** let me know.

**Ordnance survey – Mapzone is good for lots of different types of fun activity**
