Thursday 20th August 2020

Dear Parent / Carer,

I hope that you and your family have had a restful summer break and that this letter finds you all well.

At school, we are currently continuing to make the premises ready for a safe return of our pupils in September. A number of alterations to the site to allow year groups to be 'zoned' are ongoing and we are close to completing the refurbishment of the junior dining room, and to installing new safe and efficient lighting throughout the ground floor of the junior building.

Upon completion of the building works early next week, it is our intention to shoot a short health and safety video for each year group to enable you and your children to view how the new health and safety measures have been implemented and to enable pupils to gain a clear understanding of how systems will work to keep them safe upon their return. Once the video has been filmed we will send a link to it via ParentMail, along with the risk assessment which has been carried out and forwarded to the Local Authority. In addition, we will send details of how the school day and curriculum will operate in the first instance upon return to school.

I am sure that after such a long time away from school and the challenges which have been faced due to the impact of Covid-19, some pupils will feel a little anxious about their return in September. I would like to reassure them that their return has been carefully planned and that all aspects of their health and safety have been considered. We look forward to welcoming them back and beginning the process of returning to a degree of normality.

Please do not hesitate to contact me if you wish to discuss any concerns you may have in the meantime. cho@allhallows.lancs.sch.uk or 01772 746121.

Yours sincerely,

Mr C Horrocks
Headteacher
