Headteacher: Mr C Horrocks B.A.

Dear Parents/Carers,

I hope this letter finds you safe and well. We are looking forward to welcoming our children back into school, so I want to share with you the latest update from Lancashire County Council about bus services.

The advice from the government remains as, 'You can help control coronavirus and travel safely by walking and cycling, if you can. Where this is not possible, use public transport or drive.'

All our school buses will be running as normal, but face masks will be compulsory. We will also be keeping a daily register of who travels on which service in order to abide by the government's Track and Trace programme. Pupils will not be able to switch from one bus to another, so, for example, if they start the year on the 698 service, this must be the bus that they make all of their journeys on. Our bus providers are also insisting on exact change for paying fares. The details of this are in the attached document as are all the safety measures that the bus companies are putting in place.

There is a contact number at the bottom of the attachment for all school transport enquires. It is 0300 123 6738. There is also an information sheet issued by Public Health England about how to properly apply hand gel.

We look forward to welcoming all our children back for the new term.

Yours faithfully,

Mrs KJ Washington  
**Assistant Headteacher.**
