

ONE WORLD

"IT'S OUR WORLD- LET'S MAKE IT BETTER."

MICAH 6:8

What shall I bring to the Lord, the God of heaven, when I come to worship him? Shall I bring the best calves to burn as offerings to him? Will the Lord be pleased if I bring him thousands of sheep or endless streams of olive oil? Shall I offer him my first-born child to pay for my sins? No, the Lord has told us what is good. What he requires of us is this: to do what is just, to show constant love, and to live in humble fellowship with our God.

As members of the human race and part of the world, we can make a difference to the world. And in fact, we have been called by God to use who we are to make the world a better place. We have global responsibility. Pope Francis invites everyone to look after the earth and all of its people. When we damage our earth, the environment, we also cause great damage to other people. Humans are a part of the environment too and those who pay the greatest price are people who already live in poverty.

HOW CAN YOU RESPOND TO THIS CALL TO DO GOOD IN THE WORLD AND LIVE OUT OUR WORD OF THE WEEK TO ACT JUSTLY, SHOW CONSTANT LOVE AND LIVE A HUMBLE LIFE?

**Lord of all creation,
We thank you for all the wonders of the universe.
We praise you for this opportunity to come
together this day as part of the
family of all human kind.**

**May our prayers and actions help to build a just,
more equal, inclusive and peaceful world that
safeguards environmental resources now and for
future generations.**

**May the Lord bless us and all our endeavours in
committing to make the world the best place it
can be now and in the future.**

Amen.

Prayer for the week

Let there be peace on earth
And let it begin with us.
Let there be love on earth
And let it begin in our hearts.
Let there be miracles on earth
And let it begin with our faith.
Let there be a future
And let it begin with us-
Acting together- now.

For our one world!?

For our one world will you commit to one act?

What could you change in your lifestyle (how you live your life) that could make a difference?

What could you do to better care for your neighbours?

What could you do to secure a future for all creation?

Can you make it better?

Christians believe that God created the whole earth, so it is special. Creation shows God's power and great love for all life. We all have a part to play in making the world a better place. And by working together we can make more of an impact, a bigger change.

Are there issues in the world that can only be tackled by working together with others?

How could we involve more people in helping to make the world a better place?

What can we do, as a school community, to make the world a better place, to support our brothers and sisters locally and globally?

Pope Francis calls you as young people to 'prepare the future' now, and not passively 'prepare for the future' created by others. You as young people are prophets of change, light of hope in today's world and can help lead us all in creating the future we desire.
What qualities do you as young people have to make the world a better place?
