Average attendance at All Hallows is approximately 96% in all year groups across the full year. Be aware that absence in the first term can affect this percentage figure quite considerably. Behaviour incidents are uncommon with the majority of pupils remaining under 5 for the whole academic year. Effort is mainly judged to be green (Good) as most pupils strive to reach the high expectations the school expects of them.

### KEY FOR EFFORT

**O - Outstanding**  
**G - Very Good**  
**B - Below Expectation**

**Target grades** at All Hallows are based initially on statistical evidence from previous assessment. They represent a high but hopefully achievable aspiration for the individual in each subject. Target grades will become more personalised as the child progresses through the school. At each Interim Report pupils will be judged against the Target Grade and their likelihood of achieving that grade. This is shown in the final column.

# The Year10/11 Interim Report

This report can be interpreted in the same way as the reports for the other Year groups apart from the difference outlined below.

### KEY FOR EFFORT

O – Outstanding  
G – Very Good  
B – Below Expectation

In Year 10 and 11 we provide parents with a more clearer picture of the most likely grade outcome. This is not a current grade but a prediction as to the most likely outcome at the end of Year 11 based on current performance.

Reports will only be provided for examination subjects. Be aware that Combined Science counts as two GCSE's.
