Dear Parents,

Newsletter Friday 4th March

Stem Month

March sees the start of STEM Month where we have a whole host of exciting STEM (Science, Technology, Engineering and Maths) based activities taking place. It was kicked off on Wednesday with 8 Year 7 pupils attending an Engineering Fairytales session at PGHS, where they were able to complete engineering challenges (like creating a 30 minute timer for Cinderella from plastic cups, foil, paper plates, balloons etc) and then plan how they could deliver them to primary aged pupils.

Pupils in school will be receiving STEM based activities during form time and some will also be able to take part in competitions such as VEX IQ Robotics competition (Year 9), Lego Robotics Competition (Year 7), CanSat competition (Year 10), Faraday Challenge (Year 8). Year 9 girls will be attending a Women in Engineering morning where they are very fortunate to attend a fantastic workshop delivered by Lantei. Year 8 will also have the chance to take part in either a 3D printing workshop or an Engineering Humans Workshop at the end of the month.

We also have 2 fantastic STEM Ambassadors from BAE Systems supporting us in STEM Club throughout the month and beyond.

Take a look at this video which helps to showcase the many wide ranging engineering roles available or not even created yet!

Watch out for competitions and quizzes throughout the month to take part in! Prizes to be won.

Year 7 visits Bowland Wild Boar Park

On sunny Tuesday this week, 7PG visited Bowland Wild Boar Park for some English lesson enrichment. They had a fantastic day holding lots of creepy crawlies such as centipedes, snakes and cockroaches followed by some cuter, more cuddly animals like chicks, guinea pigs and baby goats! They were also treated to a tractor ride, a tour of the area to see the bigger animals and a play on the park with a McDonald's and an ice-cream. A special thank-you must go to our Year 11 pupil, Louie Yates, whose Mum organised this day, and allowed him to come along to share his wealth of knowledge on the animals - he was very impressive.

Polite Notice

While we endeavour to hand over items/property over to children when they arrive in school, there are times where office staff may not be able to guarantee that they will receive the item on the day and would appreciate your cooperation by encouraging your child to come to the office/reception to ask.

Yours sincerely,

Mr C Horrocks
