Dear Parents/Guardians

Newsletter – Friday 18th March 2022

Performing Arts

I would like to direct everybody's attention to the recent Performing Arts Department Instagram account which went live on our website. There are some fantastic clips of the amazing work produced by our pupils, particularly at the moment by some of our boys performing dance routines.

Year 9 Options

Mr McMullen launched this year's options process earlier this week in our Year 9 assembly. Following that, our virtual Options Evening presentation became available on the school's website later that day. I would urge parents and cares of Year 9 pupils to view the presentation with their child as the information provided by all of our curriculum areas will inform the choices of our young people. Please pay particular attention this year to Mr McMullen's explanation of the EBACC qualification.

The War in Ukraine

I would like to thank so many people from the All Hallows' community who contributed recently to the collections of goods to be sent to the Poland/Ukraine border. The response was truly magnificent. As is customary, Mrs Blackledge has produced a fantastic Lenten display in our foyer as we approach Easter. This year we have recognised the ongoing struggle in Ukraine by adapting our display to promote a message of peace and hope for all those suffering the effects of war.

STEM Competition

Many congratulations to the following Year 8 students who won the Faraday Challenge event at PGHS on Wednesday. The problem that they were given was to design an electronic product that would aid the NHS. One of their winning prototypes was an AI trolley bed. What a great achievement for:

Eoin Walsh, Asha Mahay, Jake Whittle, Harrison Ridgeway, Morgan Banks and Melody Stables.

Yours sincerely,

Mr C Horrocks

Headteacher
