New Breakfast Service

After the half term break, upon our return to school on Monday 6th June, we will be trialling the provision of a breakfast service for our pupils. Pupils will be able to access breakfast from 8am each morning in the junior building dining room, where they will be fully supervised by a member of our team of Teaching Assistants. Items purchased will be able to be paid for by using money placed on the system through ParentPay.

Sporting Success!

In recent weeks, our pupils have been involved in a number of extra-curricular sporting events. Congratulations to the young people who have excelled in such a wide variety of sports. Their achievements are referenced below.

Inspire 9's Preston schools rugby league tournament held at UClan last week - year 8s were winners

This week was the boys Inspire 9's rugby league tournaments in Blackburn - The Y7's came 3rd and the Y8's were runners up.

Well done to the U15 boys handball team. Third place in the regional finals in Oldham last week and 1st reserve for the National finals.

The girls u15 team came 5th in their regional finals.

Congratulations

To the Year 7 boys football team who won the South Ribble Cup Final with a 3-1 win. That makes them Lancashire cup and South Ribble cup winners.

Congratulations AGAIN to the Year 7 boys who won the Rotary 7-a side Football tournament at Fylde FC on Wednesday this week, the lads are currently waiting on confirmed places in the South Ribble League.

Good luck to the u13 girls handball team who are through to the English schools national finals held at the university of Nottingham on Sunday 19th June.

Cliffs Farm – Rock N River

Last week saw our Year 7's return to Cliff's Farm to study diversification in farming as part of the Year 7 Geography Curriculum.

Half a day was spent exploring the farm and gathering evidence of the ways in which the farm has diversified. The other half of the day was spent making use of the adventure facilities including ropes and lake activities.

Developments in the School Canteen

A number of weeks, I wrote to parents and carers to provide details of the changes which were proposed to our catering provision. They will be implemented following our return to school after the half term holiday. Please see further details which are attached to this newsletter.

Anti Bullying Ambassador Training

10 students were chosen specifically and spent the day this week representing All Hallows, being trained to become anti-bullying ambassadors. The training was delivered by The Diana Award and it has equipped these students with the tools and skills to enable them to effectively challenge bullying behaviour in school. They are currently working on a campaign so watch this space!!

I wish you all a lovely half term break.

Yours sincerely,

Mr C Horrocks
