

Community

**"Where two or three are gathered
I will be with them."**

Word of the Week

Matthew 18: 20

"Again I say to you, if two of you agree on earth about anything they ask, it will be done for them by my Father in heaven. For where two or three are gathered in my name, I am among them."

When we gather together, even just in two's or three's, and especially in prayer, Jesus is present with us in a very special way.

Prayer for the Week

Dear Heavenly Father,
We pray that you be with us today. Make it clear to us that your presence is real. We ask that you be with us all through today. Show us your love, guide us, fill us with joy. Make us all be aware that you are present and at work in our community.
Amen

A COMMUNITY THAT MAKES A DIFFERENCE!

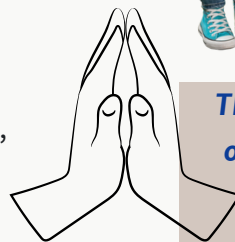

This week in assembly you will hear about lots of ways in which you can come together with others in our school community and wider community to make a difference to the lives of others locally and globally.

Our **CAFOD group** will meet every Wednesday lunch time in the chapel and will focus on how we can support and help our global family.

Our **SVP group** will meet every Monday lunch time in the chapel to focus on how we can support our local community.

Each group will be involved in fundraising and planning other events, as well as being invited on trips to find out more about the work of CAFOD and the SVP.

So many of you have fantastic ideas to help support others and make a difference to the world, so take sometime this week to pray about how God might be calling you to use your gifts, put your faith into action, and get involved in some of our chaplaincy groups.

As as Catholic school God plays a really important part in our school community. We believe that God is with us in our school helping us through each day.

Sometimes we might not even notice, but God is present in the smiles of strangers, the kind words of friends, the inspiration of a teacher. God is good, so when something is good in our lives God is there, that is God at work in our lives.

So what is good right now?
What are you grateful for at this moment?

During this week make an extra effort to notice what is good around you, and maybe make a written or mental note of it so you can take some time in your day to thank God for being with you that day.

The first part of this week's Word of the Week talks about praying together. It tells us to come together to pray. Prayers are powerful when prayed together.

Do you have any thing you would like others to pray for with you?

Make a bit of time this week to share as a class some things you would like the class to pray for. Maybe make it a regular thing to share your prayer intentions.
