## Newsletter Friday 16<sup>th</sup> September

### The Queen's Funeral

Following the announcement that there is a national holiday on Monday 19th September to allow the nation to watch Queen Elizabeth's funeral, I would like to remind you that school will not be open. I would like to thank all of the pupils who have stopped by our commemorative display in the foyer to sign the book of condolence.

### Requests for Absence

Please may I remind parents and carers that requests for absence from school should be made through the main school office and by using the official form which can be downloaded from the website. Your child's Learning Manager should not be the first point of contact and should not receive a direct email.

### National and International Honours for James

One of our Year 8 pupils, James Clitheroe, had some remarkable sporting achievements during the summer. In July, he travelled to Belgium to compete in the BMX European Championships. James made the European Championships final, after winning all his qualifying races. Unfortunately, he crashed in the final, but came away as European Number 8. Also in July, he travelled to France to the World Championships. Again, James rode his heart out and made the World Championships final. After a tight race James came away as World number 6. In August he attended the British Championships. James raced against 13 year olds (an age group up) and became British Champion for the 5th time. James has had an amazing season and we would all like to pass on our congratulations and wish him every success for his future in the sport. We will all be watching his progress with interest.

Please see James pictured below and press on the link to see him in action.
