

Year 11 Public Examinations Timetable Summer 2023

FINAL COPY

NOTES

The awarding bodies have designated Wednesday 28 June 2023 as the 'contingency day' for examinations. The afternoons of Thursday 8 June & Thursday 15 June have been designated as 'contingency afternoons' for examinations.

The designation of 'contingency days' within the common examination timetable is in the event of national or significant local disruption to examinations in the UK. It is part of the awarding bodies' standard contingency planning for examinations.

Centres must therefore remind candidates that they must remain available until Wednesday 28 June 2023 should an awarding body need to invoke its contingency plan.

GCSE History (8145), for Paper 1, students will need to take one of the section A options plus one of the section B options. The overall duration of Paper 1 is 2h.

Similarly for Paper 2, students will need to take one of the section A options plus one of the section B options. The overall duration of Paper 2 is 2h
