### *Year 11 Careers – Pathways to Further Education*

At All Hallows, part of our Year 11 curriculum is designed to prepare pupils for the move into Tertiary Education. During this year, pupils will be provided with a great deal of information, help and support to make this transition as smooth and as successful as possible. Our aim is to give pupils the skills and knowledge they need to find the right courses or employment for them in the next stage in their education.

During Year 11 there will be...

- Visits by representatives from Newman, Runshaw, Myerscough, Preston College and Hutton to talk to Year 11 pupils
- Opportunity for a personalised interview with our independent career advisor Mrs Ayrton-Parker
- Class time/Form time allocated for the production of personal statements
- Instruction on the process of completing online applications to colleges
- One to one support and lunch time drop in sessions
- Enrichment Day in December will focus on Careers/Interview skills/ Apprenticeships etc.
- Advertisement of all the weekend and evening open days at the local colleges.
- A mock interview evening (January)
- Support from the YPS (Young People's Service) for pupils who need particular support during the transition to college
- Recommendation of organisations and local employers who provide apprenticeships
- Provision of college and university prospectuses
- A notice board providing all relevant information about careers, colleges and apprenticeships
- Attendance by Newman College at Parents' Evenings
- Drop – in sessions at lunchtime by Cardinal Newman, Runshaw College, Preston and Myerscough.
- Opportunity to attend a Careers Fair at All Hallows.

Dear Parents / Carers,

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we will now be using Unifrog; an online careers platform. All students in Years 7, 8, 9, 10 & 11 now have access to this website.

The Unifrog platform is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student has their own personal account that provides a wide range of information related to their interests and aspirations. Key features of the platform include:

- Exploring Pathways – personality quizzes, career and subject profiles, MOOCs and webinars
- Recording – self-reflection about extracurricular activities and key employability skills
- Opportunities – search tools showing live vacancies/courses/placements for apprenticeships, universities (in the UK and abroad), FE, virtual work experience and much more
- Applications – tools to help students build applications for a range of pathways (e.g., CVs, Personal Statements, Common App Essays)

Students have already accessed the platform in school. To access Unifrog from home they need to log into Unifrog using their email address and password. They can do so from any computer, tablet or smartphone. We would encourage you to use the platform with your child so you can support them through the process of deciding their next step.

We have also set up a parent login so that you can use Unifrog as if you were a student yourself, allowing you to support your child throughout the process. The sign up code you need is: **AHCHparents** You can sign up to Unifrog at: [www.unifrog.org/code](http://www.unifrog.org/code). For more information, please go to [www.unifrog.org](http://www.unifrog.org) or you can contact Mrs P Ayrton-Parker our Careers Advisor at [pay@allhallows.lancs.sch.uk](mailto:pay@allhallows.lancs.sch.uk)

Yours sincerely,
