GCSE Examinations and Revision Timetable

Year 11

New timetable
Exams and Revision Classes
May – June 2024

Exam Dates

- GCSEs begin on Thursday 9th May 2024.
- Last exam on Wednesday 19th June 2024.
- Timetable to be published in coming weeks.

How the timetable works

- The aim is to give pupils revision sessions as close to the exams as possible.
- Green boxes are exams. But pupils must check their exam timetable in order to know if they are taking that exam!
- The purple boxes are the revision classes that they attend when they don't have an exam.

How it works

- Where there is more than one revision subject, pupils must attend the top one. If they don't do that subject, they go to the next one down.
- Teachers and Rooms will be displayed on the TV screen in the morning.
- Excellent standards of behaviour are expected in all revision classes.
- Where there is no exam or revision class then pupils go to the Senior Dining Room for supervised private revision.

The 2023 timetable (last academic year)

DATE	PERIOD 1	PERIOD 2	PERIOD 3	PERIOD 4	PERIOD 5	PERIOD 6

Exams Revision Classes

Monitoring and Intervention

French	Year 11 Target	Areas of Strength	Attitude to Learning
La vie techno' - in this module, pupils have described their media likes and dislikes, they have described their life online and they have discussed their musical interests. They have used the past tense to describe a musical event that they have attended.	8	Be able to use more than one tense when describing your town and region. Describe what you like to watch on TV - use adjectives and comparisons.	O
	Estimated Grade	Areas to Improve	
	7	Taking part in a conversation at the cinema. To describe what to do on a mobile phone.	

Mathematics	Year 11 Target	Areas of Strength	Attitude to Learning
This term, Year 9 have been studying Linear and Quadratic Graphs, Sequences, Probability, Congruence and Trigonometry. Skills, Reasoning and Problem Solving have been developed in all of these topics.	8	Construct and solve linear equations including fractions or powers. Find and use the nth term of an arithmetic sequence.	G
	Estimated Grade	Areas to Improve	
	8-	Write formulae for direct and inverse proportion problems. Enlarge shapes using scale factors and centres of enlargement.	

Intervention:

- **Teacher intervention**
- **Departmental intervention
(lunch time drop in sessions / after school intervention)**
- **Small group intervention (Maths & English)**
- **After school intervention (all subject areas)**
- **After school revision (all subject areas)**
- **Academic Mentors**
- **Online resources**

Subject Support

All Hallows Catholic High School

Support at Key Stage Four: Core Subjects

Subject	Exam Board	Head of Department	Resources for Support and Revision
English	Eduqas	Mr Henderson	<ul style="list-style-type: none">• Revision resources available on "Teams" for Year 11 pupils• Bespoke intervention sessions with class teachers for targeted pupils• Revision sessions in the run up to Year 11 mocks, which will cover the key topics. Timings and locations to be detailed nearer the time
Mathematics	Edexcel	Mr Briscoe	<ul style="list-style-type: none">• All pupils have access to MathsWatch• Drop in sessions every lunchtime• Extra lessons will be provided after school towards the end of the year• Revision lists, with links to support, available on Teams
Religious Education	Eduqas	Mr Burbidge	<ul style="list-style-type: none">• Knowledge organizers for each of the six Y10 & 11 modules• Paper 1, 2 & 3 revision guides• All of the above available on Teams to download, along with past-exam papers and a guide on how to answer exam questions.• Weekly revision lessons covering each module from January to May.• Lunchtime and after-school intervention sessions with individual pupils.

SENDCo

Mr Case

Some pupils require additional support during their examinations.

This can be in the form of:

**Access
Arrangements**

Extra Time

**Pupils receive
25% extra of their
exam time**

*e.g. 1 hour exam
becomes 1 hour 15
minutes*

Reader

**Pupils can ask for
a word or
sentence to be
read.**

*Not applicable for
English reading
paper*

Rest Breaks

**Pupils can take a
short break from
their exam for
medical or other
reasons.**

*The missing time is
added on to the end
of their exams*

The process for arranging access arrangements is overseen by the governing body JCQ.

They visit school annually and check that we have the appropriate evidence of the child's need.

Extra Time Process

Pupils filtered through reading tests and already identified SEN needs

Pupils are then tested by a qualified assessor for processing, reading and writing speeds.

Pupils must have a standard score of below 85 in two of the tests to qualify for extra time

All Other Arrangements

For a pupil to have another access arrangement we need to have evidence of need

e.g. medical letters, diagnosis of a condition

This should also be their regular way of working in school.

Access

Arrangements

Other Agencies

Sometimes, a pupil may need some additional support from outside agencies such as CAMHS, the school nurse, the Police or Children’s Social Care.

We work closely with a wide range of outside agencies to support the pastoral care, health and wellbeing and safety of our pupils.

We also use the Lancashire “Early Help Referral” to access additional support where required.

Pastoral Care

We place the pastoral care of our pupils at the forefront of our provision. We are the basis to build strong and lasting relationships to help us "walk alongside" our pupils, guiding them through difficult times. We are the first contact for any pupil pastorally. Pupils begin their pastoral care that will support them in their transition from Primary to High School pastorally as they move through the school. Each year

Growing up at high school can present normal day-to-day challenges. The wider team below can provide support in addition to
