POST RESULTS SERVICES

Reviews of Marking

All Reviews of Marking (ROMs) should first be discussed with the relevant Head of Department who will advise on the viability of such a request. The “Review of Marking Form” should then be completed and signed by the **student**, not the parent. (Appendix A).

If your grade is amended from a review of marking, you will receive a refund.

In the school’s experience, it is unusual for marks to change upwards by more than a marginal amount. However, the school reviews the marks that your child and others have achieved and will advise candidates if we feel there is an anomaly and that the paper should be reviewed. If we are concerned about results received for a particular subject, the school itself will request a review of marking of all those papers (with the candidates’ consent)

Review of marking categories are as follows:

SERVICE 1 CLERICAL RE CHECK

- Candidate consent is required and must be held on file by the centre
- The request must be received by the awarding body by 26 September 2024.
- The deadline for completion is within 10 calendar days of the awarding body receiving the request.

This service will include the following checks: all parts of the exam paper have been marked • marks have been recorded/added up correctly • special consideration has been applied (where appropriate) • the grade boundaries have been applied accurately.

The outcome of the clerical re-check will be reported along with a statement of the total marks awarded for each unit, or component, included in the enquiry. Only Service 1 clerical re-checks can be requested for objective tests (multiple choice tests).

SERVICE 2 (Review of Marking)

This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly. A marking error can occur because of: • an administrative error; • a failure to apply the mark scheme where a task has only a ‘right’ or ‘wrong’ answer; • an unreasonable exercise of academic judgement. The awarding body will train its reviewers to conduct reviews of marking accurately and consistently. **Reviewers will not re-mark the script.** They will only act to correct any errors identified in the original marking. The service is available for externally assessed components of both unitised and linear GCE and GCSE specifications.

- Candidate consent is required and must be held on file by the centre
- The request must be received by the awarding body by 26 September 2024.
- The deadline for completion is within 20 working days of the awarding body receiving the request. This service includes: • the clerical check (Service 1) • a review of marking of units/components by a senior examiner.

ATS (Access to Script)

A photocopy or the original of the student’s script. Centres may request copies of scripts to support reviews of marking. For copies of scripts to support teaching and learning. Requests must be submitted to awarding bodies no later than 26 September – five weeks after the publication of GCSE results. Requests received after the deadline will not be accepted.

CERTIFICATES

Certificates are received in school early November, and we will be organising a certificate awards ceremony which is to be held on Thursday 14th November. Those unable to attend the Certificate Evening will be able to collect their certificates from school after the awards ceremony. These need to be signed for by the candidate.

JCQ regulations state that certificates should be kept for 12 months. If they remain uncollected after this time they will be disposed of securely.

Certificates are important documents. Most educational institutions and potential employers will ask to see your original certificates. If you lose or fail to collect your certificates, you will need to obtain duplicates from the relevant Awarding Body. The Awarding Bodies no longer replicate certificates unless you can prove they were destroyed by theft, fire or flood; they will only issue a Statement of Achievement. This currently costs in the region of £40.00 per 'Statement of Achievement'.

Notice to Centres

Unclaimed Certificates

The Awarding Bodies have agreed to implement a standard procedure for dealing with unclaimed certificates.

Centres may destroy any unclaimed certificates by a secure method (for example by shredding or incineration) after holding them for a period of 12 months from the date of issue. A record of all certificates destroyed by a centre should be kept for a further period of four years from the date of their destruction.

Any queries concerning the destruction or secure disposal of unclaimed certificates should be directed to the awarding body that issued the certificates.
