1. Introduction and aims

At All Hallows, we recognise that mobile phones, including smart phones, are an important part of everyday life for our pupils, parents and staff, as well as the wider school community.

Our policy aims to:

- Promote, and set an example for, safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

2. Roles and responsibilities

2.1 Staff

All staff (including teachers, support staff, and supply staff) are responsible for enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The Headteacher is responsible for monitoring the policy every 3 years, reviewing it, and holding staff and pupils accountable for its implementation.

3. Use of mobile phones by staff

3.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to make or receive calls, or send texts, while pupils are present. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staff room).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time. For instance:

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number (01772 746121) as a point of emergency contact.

3.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information.

Further information can be found in the school's data protection policy and ICT acceptable use policy.

3.3 Safeguarding

Staff must refrain from giving their personal contact details to parents or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents or pupils.

Staff must not use their mobile phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done following the Acceptable Use Agreement

3.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but aren't limited to:

- Emergency evacuations

- Supervising off-site trips

- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct

- Not use their phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil

- Refrain from using their phones in school to contact parents. If necessary, contact must be made via the school office

3.5 Work phones

Some members of staff are provided with a mobile phone by the school for work purposes.

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- Only use phone functions for work purposes, including making/receiving calls, sending/receiving emails, taking work related photographs, or using the internet

- Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct.

3.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

4. Use of mobile phones by pupils

Mobile Phones are not permitted to be **used, seen or turned** on the school site.

They must not be seen from 'door to door' – from when pupils enter the school site at the start of the day until they leave the school site at the end of the day.

1. Phones must be switched off (not just put on 'silent').
 2. Avoid sharing your contact details with people you do not know, and do not share other people's contact details without their consent.
 3. If pupils want to contact parents throughout the school day they use the school office for emergency contact.
-

4. Do not share your phone's passwords or access codes with anyone else.
5. Do not use your mobile phone to bully, intimidate or harass anyone. This includes bullying, harassing or intimidating pupils or staff via: a. Email b. Text/messaging app c. Social media
6. Do not use your phone to send or receive anything that may be criminal. For instance, by 'sexting'.
7. 6. You must comply with a request by a member of staff hand over your phone if it is used, seen, is heard. Refusal to comply is a breach of the school's behaviour policy and will be dealt with accordingly.
8. 7. Mobile phones are not permitted in any internal or external exam or test environment. Bringing a phone into the test room can result in your exam being declared invalid.

4.1 Sanctions

Below outlines the process and sanctions, should a mobile phone be heard, seen or used.

- The member of staff will confiscate the device and hand it in to the General Office. The pupil will be allowed to collect the device at the end of the day (or sooner if they have an appointment)
- Upon collection, the General Office will issue a Friday Night Detention letter for the first available date.
- Parents of repeat offenders will be contacted by the appropriate Learning Manager to discuss further strategies and sanctions.

Schools are permitted to confiscate phones from pupils under sections 91 and 94 of the [Education and Inspections Act 2006](#).

Staff also have the power to search pupils' phones, as set out in the [DfE's guidance on searching, screening and confiscation](#). [The](#) DfE guidance allows staff to search a pupil's phone if they have reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause personal injury.

Should a staff member find inappropriate content on a phone, or if they suspect inappropriate behaviour, they will speak to the DSL or Deputy DSL first and then log the incident on CPOMS.

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously, and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

5. Use of mobile phones by parents, volunteers and visitors

Parents, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

Not taking pictures or recordings of pupils, unless it's a public event (such as a school fair), or of their own child

Using any photographs or recordings for personal use only, and not posting on social media without consent

Not using phones in lessons, or when working with pupils

Parents, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on his/her personal mobile during the school day.

6. Loss, theft or damage

Pupils must secure their phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

Pupils and parents will be made aware of this through;

- Providing a copy of the policy and disclaimer to all new pupils and parents
- Making the policy accessible on the school's website.

Confiscated phones will be stored in the General Office in a secure location.

Lost phones should be returned to the General Office. The school will then attempt to contact the owner.

7. Monitoring and review

The school is committed to ensuring that this policy has a positive impact of pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

Feedback from parents and pupils

Feedback from teachers

Records of behaviour and safeguarding incidents

Relevant advice from the Department for Education, the local authority or other relevant organisations
