

Meet Our Careers Team

Careers Leader

Our Careers Leader is Mr Thomas (Assistant Headteacher).

As Careers Leader, Mr Thomas is responsible for planning, delivering and evaluating our school's careers programme. This includes ensuring we meet the Government's statutory requirements, embedding the Gatsby Benchmarks into our provision, and maintaining strong partnerships with employers, training providers, and further/higher education.

Mr Thomas works closely with staff across all subjects to ensure careers learning is linked to the curriculum, and with governors to monitor the quality and impact of our careers programme.
