September 2026

Dear Parents/Guardians,

As we begin a new academic year, I hope our families have returned to school life with renewed energy and optimism. The summer holidays are now behind us, and the evenings are already beginning to draw in. In school, this is one of our longest and most important terms, and a great deal of academic and personal growth takes place between now and Christmas. I hope the routine and structure of the school day help our pupils and families engage fully in all that All Hallows has to offer, and that this term proves fruitful in many different ways. The familiar saying that you "get out of life what you put into it" is one I will be reminding our pupils of regularly as we embark on the months ahead.

The start of the year has been marked by several special occasions that have brought us together in faith, celebration and service. Our whole-school Mass provided a meaningful opportunity to gather as a community and place the year ahead in God's hands. It was particularly moving to see our new Year 7 pupils processing with flags and to witness students from every year group participating so fully in the liturgy. I would like to thank Fr Ian, our staff, students and choir for helping to make the celebration such a memorable occasion.

We were also proud to celebrate Catholic Education Sunday, with staff and students representing the school at both the Education Mass at St Mary's Church, Leyland, and the Vigil Mass at St Oswald's, Longton. These occasions reminded us of the importance of our Catholic mission and the privilege of belonging to a wider faith community.

Of course, we extend our warmest congratulations to our Year 11 students on their GCSE results and wish them every success as they begin the next stage of their educational journey. We are equally proud of our newly appointed Senior Prefects, who will serve as excellent ambassadors for our school and positive role models for younger pupils throughout the year.

As always, I am deeply grateful for the support of our families, staff, governors and parish communities. Together, we continue to live out our mission of Growing together in the spirit of Christ's love, ensuring that every young person is supported, challenged and encouraged to flourish.

I hope you enjoy reading about the many activities, achievements and celebrations featured in this edition of our newsletter.

Yours faithfully,

Alison Cooper

Headteacher

PTFA AGM Meeting

The PTFA AGM will take place on Wednesday 14th October at 6.00pm in the Year 11 Centre. All parents, carers and members of the school community are welcome to attend. For more information, please email ptfa@allhallows.lancs.sch.uk.

Living Our Faith Together

We started the year with our whole school Mass. Our new Year 7 pupils processed in with flags, while students from other year groups carried pictures of their form patron saints. Pupils also took part in the readings and carried the offertory gifts, while the music was provided by our wonderful choir. A special thanks goes to Fr Ian for celebrating Mass with us and to all the staff and students involved in the organisation and participation of the liturgy.

Catholic Education Sunday was celebrated on 13th September, and our staff and students marked the occasion with two special events. On Thursday 10th September, some of our Faith in Action pupils attended the Education Mass at St Mary's Church, Leyland, for Lancashire schools within the Diocese. His Excellency Archbishop Miguel Maury Buendía, the Apostolic Nuncio to Great Britain, celebrated Mass alongside The Most Reverend John Sherrington, Archbishop of Liverpool. The Nuncio is a representative of Pope Leo XIV and the interests of the Catholic Church in Great Britain. It was wonderful to attend Mass locally and have the opportunity to have our photograph taken with him afterwards.

On Saturday 12th September, Fr Michael invited staff and students to the Vigil Mass at St Oswald's, Longton, where pupils took part in a special offertory, offering items that symbolised their aspirations for the year ahead. Staff and students also received a special blessing for the year ahead.

Celebrating the Class of 2026

Staff were delighted to see so many Year 11 pupils returning to school to collect their much-anticipated results on GCSE Results Day. We are incredibly proud of the resilience shown by pupils throughout the exam period and we wish them all the best in their post-16 ventures.We look forward to seeing the year group again on Thursday 12th November for Certificate Evening in the Arts Theatre -details of which will be shared with families in due course.

Senior Prefects Begin Their Leadership Journey

We are delighted to congratulate our newly appointed Senior Prefects as they begin their leadership roles at the start of Year 11. These students have demonstrated outstanding commitment to our school community and embody the values at the heart of our mission, Growing Together in the Spirit of Christ's Love.

Through their service, integrity and dedication, they have shown themselves to be excellent role models for younger pupils and examples of Catholic leadership in action. As Senior Prefects, they will play a key role in supporting fellow students, representing the school at important events, and helping to strengthen our sense of community and belonging. We are confident that they will lead with compassion, responsibility and faith throughout the year ahead.

We are incredibly proud of their achievement and look forward to seeing the positive contribution they will make during their final year at school. Congratulations to all of our Senior Prefects, and we wish them every success as they serve our school community in the spirit of Christ's love.

Year 11 Geography Fieldwork

On Friday 11th September, Year 11 pupils carried out the second part of their fieldwork enquiry. They visited the River Calder to measure the river's width, depth, velocity and bedload. The group also stopped in Garstang to examine the hard and soft engineering strategies used along the River Wyre. We were very fortunate that the weather was kind to us. Pupils will use the data collected to support their learning and preparation for their GCSE examinations next summer.

Lancashire U14 Football Success

We are delighted to share that Emily D has been selected to represent Lancashire at Under-14 level, building on the success she achieved last year.
Following four rounds of trials at Stonyhurst College, involving 140 talented players from across Lancashire, Emily secured her place in the final squad of just 22 players.
The programme begins in October and will continue throughout the season. This is a fantastic achievement, and we are incredibly proud of Emily's hard work and perseverance. We wish her every success in the months ahead and, most importantly, hope she continues to enjoy her football and play with a smile on her face.

U14 Netball Team Progress in National Competition

Our U14 netball team were back in action in the first round of the Sisters n Sport National Competition, facing St Gabriel's in what proved to be a thrilling and closely fought encounter.
The match was tense from the first whistle, with both teams competing fiercely and the lead changing hands several times throughout the game. It was a fast-paced, physical contest, with play moving from end to end and neither side willing to give an inch.
The girls demonstrated excellent teamwork, composure and perseverance under pressure, supporting one another brilliantly throughout. Despite the intensity of the match, they remained focused and continued to battle right until the final seconds. Their hard work was rewarded when they scored with just five seconds remaining to secure a dramatic 22-21 victory.
CPOM: Whole Team – every player gave 100%, worked tirelessly for one another and never gave up.
Congratulations to the girls on a fantastic performance and a well-deserved win. We wish them the very best of luck in the next round!

Building Confidence Through Rugby

A group of our Year 8 and Year 9 girls enjoyed a fantastic day of Touch Rugby at Preston Grasshoppers Rugby Club.
A huge thank you to Jake and the Hoppers Foundation team for organising such an enjoyable and well-run event. The girls thoroughly enjoyed the experience, developing their skills, building confidence and having lots of fun along the way.
Preston Grasshoppers has an excellent girls' and women's rugby programme and warmly welcomes new players of all abilities. Training takes place every Wednesday, and we would encourage anyone interested in giving rugby a try to get involved.
Well done to all of the girls for representing the school so positively throughout the day.

U15 Rugby Lancashire Cup Success

The Year 10 Rugby Team secured a fantastic 31-17 victory over Birkdale in the school's first-ever Lancashire Rugby Cup fixture. The boys were excellent throughout, showing particular dominance in the second half to pull away from their opponents. Leighton captained the team superbly, leading by example and helping to drive the team forward.
The standout performer was Seth S, whose electrifying runs from centre caused constant problems for the opposition and played a key role in the team's success.
Well done to all the players on a brilliant start to their Lancashire Cup campaign!

Lancashire Schools Golf Championship

Congratulations to the following boys who proudly represented All Hallows at the Lancashire Schools Golf Boys Championship held at Ormskirk Golf Club. We were delighted to be the school with the highest number of participants competing in the event.
A huge well done to:
Alfie S and Zac W (Year 9); Freddie S, Sebastian S, Conan F, Leo N, Ted P and George S (Year 10); and Rio C (Year 11).
Thank you to all the parents who supported the team by providing transport to and from Ormskirk. We are incredibly proud of the boys for representing the school so well and demonstrating excellent sportsmanship throughout the competition.
Well done to all involved!

Year 8 Football Team Start Season with a Win

The Year 8 football team started their season with an excellent 5-2 victory over Brownedge St Mary's. Trailing at half-time, the team produced an outstanding second-half performance, scoring five excellent goals to secure the win.
Player of the Match was Theo N, whose superb headed goal and excellent work rate throughout the game helped inspire the comeback.
Well done to all the players on a fantastic start to the season!

Year 11 Football Team Storm to Victory

An outstanding performance from the Year 11 football team saw them come from 1-0 down to secure an impressive 7-1 victory. Whilst there were some excellent individual performances, it was a superb team effort that ultimately earned the result. The goals were scored by Leo F, Finlay W, Rio C (2) and Mitchell R, with two further goals coming from opposition own goals.
A special congratulations to Leo I, who was named Player of the Match for his excellent contribution.
Well done to all the boys on a fantastic result!

Friday Night Volleyball Fixtures

Our popular Friday night volleyball fixtures against Hutton have continued this year. Matches take place every Friday unless they clash with another school fixture.
Any Year 10 students looking to gain valuable match experience are encouraged to speak to Mr Tynan about getting involved.
We have already enjoyed two excellent fixtures this season, with Hutton claiming victory in the opening match before All Hallows responded with a win in the second week's encounter.
These fixtures provide a fantastic opportunity for players to develop their skills, gain competitive experience and enjoy regular match play throughout the season.
Well done to everyone who has taken part so far. We look forward to many more exciting matches in the weeks ahead!

Volleyball London Tour

The volleyball team enjoyed a fantastic weekend in London, combining competitive fixtures with some memorable experiences in the capital.

On Friday, the team faced City of London School, narrowly losing 3-2 in a closely contested match that went down to a tense final set. Afterwards, the team enjoyed an evening at Seven Dials Food Market before taking a walk through the West End and Chinatown.

On Saturday, the team travelled to Shoreditch Park, where they enjoyed playing beach volleyball on the sand courts, using a net from the London 2012 Olympic Games. There was then time to take in some of London's famous landmarks before spending the evening at Gravity Max, Wandsworth, watching England v Spain and making the most of the venue's multi-level arcade activities.

Sunday morning saw the team once again take on City of London School. Following a productive training session the previous day, the team responded superbly to Friday's narrow defeat with an emphatic 4-0 victory, demonstrating excellent consistency, improved shot selection and strong teamwork throughout.

An excellent weekend away in the capital, with plenty of volleyball, sightseeing and team bonding. Well done to everyone involved!

PERSONAL DEVELOPMENT

Autumn Half Term 1 Sept 2nd – 23rd October

WHAT WE'RE LEARNING AUTUMN TERM

Overview

PD is a vital part of our curriculum that supports students' wellbeing, character and future aspirations. This term Year 7 - 10 will focus on relationships through the eyes of God. Year 11 will explore how to manage their mental wellbeing.

Year 7

Managing Change and Transition

This unit helps students transition to secondary school and manage change within friendships. It focuses on specific learning about puberty health and how our bodies change.

Year 8

Healthy and unhealthy relationships

This unit introduces a range of relationship issues facing young people, feelings, including sexual orientation and consent through the eyes of God.

Year 9

Intimate relationships

In this unit, students revisit learning about consent and learn about healthy, safe relationships, including contraception, while considering Catholic views.

Year 10

Relationships, pregnancy and recognising abuse

This unit explores family life, including committed relationships and parenting responsibilities, fertility and routes to parenthood, and options in the case of unplanned pregnancy.

Year 11

Life-long wellbeing

This unit revisits and builds on prior learning about mental health, helping students to explore strategies that support wellbeing, especially when managing workload and preparing for exams.
